

Police & Fire Chief Questions regarding tents, chairs, cooking:

Who will erect the tent? Only licensed, insured tent installers that provide certificates of liability and flameproofing ahead of install are permitted after Dig Safe has completed their work.

Will the tent have sidewalls? If so, who will install the emergency exit signs and lighting? Where will the power come from? Who will install it? When?

Who will provide the fire extinguishers for the tent?

Who will provide the chairs and conduct the wind speed and egress protective work?

Will there be a certified crowd manager? (Detailed in writing naming specific individuals with certificates attached)

What is the emergency sheltering/ evacuation plan? (Detailed in writing)

What will be used to heat the food? Where will the food be heated?

Will the Police Chief be requiring an EMT standby? Does the client want one?
